

Goring Residents' Association

Member Support by Road Wardens

GRA Members living south of the railway line in the area bounded by George V Avenue in the east and the boundary with Ferring in the west (see map below) will be supported by our network of volunteer road wardens. They collect annual subscriptions and deliver our twice-yearly newsletter.

GRA Members living outside this area will receive their newsletter by email and subscriptions will be collected through the banking system or should be left in a sealed envelope at Denyer News, 265 Goring Road..

Alan Wilcox
Membership Secretary
September 2018.
