

GORING RESIDENTS' ASSOCIATION

We wish all Goring residents' a happy, peaceful and safe 2019.

The last year has been a busy one for the GRA with many fantastic evening events, a trip to Kingston Christmas market and finished the year with a meal for 70 at the Worthing Indoor Bowls Club. The meal was scrummy and the company convivial. We also kept an eye on Goring and objected or supported many planning projects. We supplied evidence to Worthing Council, which was documented in their Local Plan, which supports their claim to keep the Goring Gap safe from development and we await to hear if we have done enough to keep it safe for many years to come.

Your committee, as spokesman, represents you - Goring residents - at meetings etc., the more residents' we have as members means we have a stronger and louder voice so think about joining us in 2019 - details of how to join are on our website - goringresidents.org.uk

Turning to 2019 - we will continue keeping an eye on Goring developments and let our residents know as soon as possible if we need to 'fight the good fight' via our website - goringresidents.org.uk.

We start 2019 with our jazz evening which is totally sold out, our February event is a talk from the harbour master at Littlehampton, March is a 60s/70s live music night and a dance area with the Alternatives - only a very few tickets left and April sees the favoured return of the charity quiz for Sight Savers (formally Worthing Society for the Blind) - again only a few tickets left, so, if you want to join us please act fast for the last few tickets remaining. Details of price and purchasing are on our website goringresidents.org.uk

2019 will busy for the GRA as we celebrate our 75th anniversary - so keep an eye of our web pages as we bring exciting news on how we plan to celebrate this event.
